for more
information on
bringing this
highly-rated
workshop to
your
organization.

Though we always love our kids, we can also admit that sometimes we just don't like them very much! The way they act drives us crazy!!!

However, you can learn to raise your children and youth and still maintain your sanity. Whether you are struggling with a toddler, teen or person in-between, **Billy Kaplan, LCSW** uses this workshop to provide you with practical wisdom on the ever-changing relationship between you and your loved one — and some strategies for building a long-lasting relationship.

- Learn to identify different kinds of behaviors and to respond effectively
- Understand more about how your kids are growing and changing
- Improve your ability to talk with your kids

“Your workshop was the highest-praised event at the conference”

“This workshop was very informative”

“You interacted extremely well with the participants”

“You gave us information that will help in the day-to-day routines of parenting”

“You had some really simple and great suggestions”

Billy Kaplan, LCSW, is President and Clinical Director of House Calls Counseling. He has over fifteen years experience as a trainer and psychotherapist. House Calls Counseling is Chicagoland's premier provider of attachment-focused psychotherapy in the comfort of the home.
